

EARLY CHRISTMAS SURPRISE

Johnson's Transmission & Auto Service, Inc. is pleased to announce we had an early Christmas present. It was a wonderful but we would not have minded waiting but it just wasn't meant for us to wait on this one. This one came to us about 6 weeks earlier than we expected.

One of our technicians, Austin Johnson, got the dreaded phone call at work that Lindsay, his wife, was on the way to doctor to later be admitted into the hospital. This all occurred on 12/20/2017. She was having some problems that could not be controlled so the doctors worked around the clock to keep the baby with mother but that just want what GOD wanted. It grew to a status of inducing labor and many hours of labor until the doctors finally opted for a c-section.

To make a long story short, Austin, Lindsay, and Johnson's Transmission is proud to announce that on 12/21/2017 at 11:39pm, Lindsay gave birth to a very small, beautiful, and precious bundle of joy. **Rayleigh Ann Johnson** entered this world at a whopping 4lbs. and 17 inches long. She was very loud according to her dad, Austin. She was, of course transferred to NICU for weight and any breathing problems, which her breathing turned out to be good. She needed a few breathing treatments but overall, she was great. Since her arrival, she has been on a feeding tube, just for precaution because she is eating on her own. She has struggled with her weight a little but they are very hopeful that she will come home Saturday, 1/6/2018. I would like for you all to lift a prayer for Rayleigh so that she can come home.

Lindsay, her mother, had some complications from the emergency c-section, prayers were lifted, and she is doing really well right now, just wanting her beautiful baby girl at home with her. Please say a little prayer for her as well that her prayers for Rayleigh to be at home will be answered. Pray for the whole family that Rayleigh makes a smooth transition from hospital to home and that things can get to as normal as possible for Lindsay, Austin, and Rayleigh.

Jerry Johnson and staff at Johnson's Transmission & Auto Service, Inc. would like to say we are very happy to have a new addition to our extended family. **CONGRATULATIONS TO AUSTIN, LINDSAY, AND RAYLEIGH ANN JOHNSON!!!** There are pictures added from day 1 until last week of this most precious of all gems.
